**Dear Shri. S T Sujee,**

I am very much impressed by your hard work and dedication by which you had completed the task of removing 27277 assets from the circle Asset Register as part of review of ARO Assets. This has helped Tamilnadu Circle to prune the ARO liability by a whopping 54 crores.

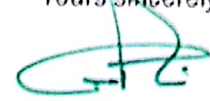

I also convey my appreciation for having worked hard to guide the SSAs in settling various issues related to SAP FICO Module.

Without your help it would not have been possible to deliver such high quality work in a limited period of time. Your enthusiasm and motivation has helped the team to complete the task in record time.

I wholeheartedly appreciate your professionalism and great team spirit. Hope you will continue to show the same zeal and enthusiasm in the years to come for the positive growth of BSNL.

With best wishes,

Yours sincerely,

**(G RAVI)**
